Both prior art references require additional steps such as chrome tanning.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Priority

4. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in India on August 14, 2003. It is noted, however, that applicant has not filed a certified copy of the India 1000/DEL/2003 application as required by 35 U.S.C. 119(b).
